

## SmartFill

**Find information up to 83% faster with Rockton's quick and easy google-style data search tool.**

Avoid traditional GP lookups and find data with the google-style search tool that works the way you expect. **SmartFill** helps you reduce data duplication by quickly finding Customer, Vendor, Account, or other records by allowing you to search part of a record's name, ID, or any other related information.

- **Faster Lookups:** Data returned 83% faster than traditional GP lookups
- **Customizable:** Create new searches and add to 3rd party windows
- **Easy to Use:** Over 4000+ pre-defined lookups

Are you ready to *work simpler & easier*®?  
Extend the power of Microsoft Dynamics GP with tools that will rock your world.
